MIRAS MODEL UNITED NATIONS

Global Challenges, Shared Responsibilities: Advancing International Cooperation for a Sustainable Future

February 25 - 26 | Miras Almaty

WELCOME TO THE INTERNATIONAL CONFERENCE

*Dear Colleagues, it is our great honor to officially invite your esteemed organization to participate in the annual **MIS MUN 2027 Model United Nations** conference, organized by the Miras International School in Almaty, Republic of Kazakhstan.*

*The conference will take place on **February 25–26, 2027**, and we will be sincerely delighted to welcome dedicated educators and talented students from around the world.*

*Participation in **MIS MUN 2027** offers each delegate a unique opportunity to demonstrate diplomatic skills, develop leadership qualities, enhance public speaking and foreign language proficiency, and cultivate one of the key competency of the modern world—the ability to reach consensus while addressing pressing global issues.*

For new participants, the conference will provide valuable experience in understanding the structure and dynamics of organized debates, while experienced delegates will have the opportunity to further refine their oratory skills and strategic thinking through active participation in public discussions.

*We eagerly look forward to the participation of your delegation, whose presence will make a significant contribution to the success and intellectual enrichment of the discussions at **MIS MUN 2027**.*
